forcible child molestation. The jury also found that he kidnapped two little girls for the purpose of molesting them and that he used a deadly weapon and inflicted great bodily injury on his second victim. On an early spring evening in 1983, Jane Doe #1 was playing hide-and-seek with her friends in the neighborhood. Brown was 24 years old, 5 feet 11 inches tall, and weighed over 200 pounds. This monster pulled the 8-year-old, 57 pound little girl into his red van as she bravely tried to fight him off by kicking and screaming. He threatened to hurt her, forced her to orally copulate him, violently raped her, and drove her some distance before letting her out of the van. He terrified her by reminding her that he would come back and hurt her if she told anyone. The police found semen on her clothing. DNA technology, of course, had not yet been invented. With the descriptions provided by this brave little girl, police began a massive search for this deviant. There was extensive media coverage at the time. You would think that a person would go into hiding with all of Orange County looking for him. Undeterred, this predator went on the hunt again only five months later. This time, he was even more brutal and more violent. October 5th, 1983. Brown's new prey -- a 34-pound, 7-year-old Jane Doe #2, an immigrant from Cambodia -- was walking to school shortly before 8:00 a.m. Brown forcibly pulled her off the street and put her in his red van while she screamed "Go to school! Go to school!" He later parked his van, dragged her into the back, and threatened to kill her by cutting her body into little pieces while holding a knife to her chest. Brown showed her how serious he was by showing her bloody clothing and an even larger knife. He drove her to a cemetery where he threatened that she would be buried, along with his other

<p>victims, if she disobeyed him. He sexually and violently assaulted Jane Doe #2, including forcing her to orally copulate him and repeatedly sodomizing her because she was too tiny to rape. The abuse continued until she vomited on the carpet. Brown discarded her on a street corner after repeating his threats. The terrified, crying victim was lost and wandered for a while. She stood next to a market until a passer-by stopped and called the police. For these crimes, Brown was sentenced to 49 years in prison in 1985.</p>
